Gentlemen:—

Worcester, Mass.

The Monstrosus Petunias which I purchased from you last year were the best I ever grew, especially for pot culture.

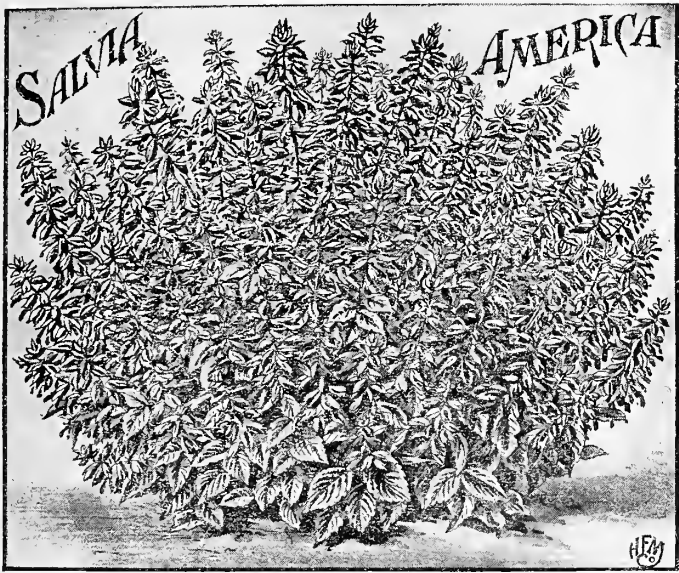

Yours truly,

A. W. H.

Gentlemen:—

The Winter Flowering Sweet Peas obtained from you this winter were wonderfully successful, blooming very early and producing immense quantities of flowers.

Yours truly,

L. M. S. R.

Paoli, Pa.

SWEET PEAS—Continued

SPENCER or ORCHID VARIETIES

Distinguished from the grandiflora sorts by the extra large flowers, which are crinkled and wavy, and from the fact that almost invariably four flowers are produced on a stem.

MICHELL'S FANCY LEAVED CALADIUMS

(READY IN JANUARY)

Fancy Leaved Caladiums

These are grown for us on contract by one of the leading hybridizers of the world. Our list composed of twelve of the best named sorts, covering a wide range of colors, which are difficult to describe accurately in print.

Wonderful effects can be produced in table or conservatory decorations with these beautiful marked tropical foliage plants. The bulbs should be started in damp moss, somewhat like Begonias, with plenty of bottom heat and an occasional dampening. Do not allow them to get chilled, and at all times grow them in as high a temperature as possible.

Quantity Wanted		Total Amount
.....	Charles Simpson. Bluish green, spotted red, creamy white ribs.
.....	Coimbra. White, suffused green, red veins and ribs.
.....	Frances M. Laughlin. Transparent rose centre, yellowish zone, green border
.....	Jacupiranga. Transparent white with green veins.
.....	Jupiter. Red centre, green border, spotted white.
.....	Leopold Robert. Deep red, crimson ribs, green border.
.....	Lord Derby. Rose, green ribs and veins.
.....	Macache. Variable, green, suffused pink, with red ribs.
.....	Prince Albert Edward. Red, suffused pink, narrow green border
.....	Putomayo. Pink, spotted strawberry red.
.....	Shellpink. Center shell pink, deep red veins, grayish white border
.....	Silver Queen. Pure white.
.....	Price of any of the above Fancy-leaved Caladiums, 25c. each; dozen, \$2.25; \$15.00 per 100.
.....	Mixed. Made of named sorts but not labeled, \$1.75 doz.; per 100, \$12.00.

CALADIUM ESCULENTUM

(READY IN JANUARY)

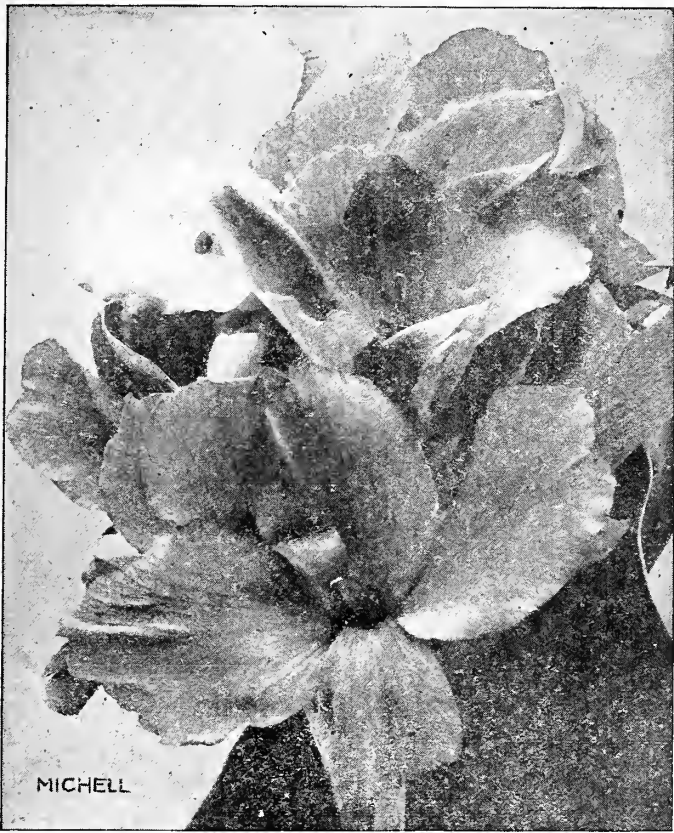

To get the best price for these as plants they should be started in pots just as early as possible to make salable specimens by May 1st, when outdoor bedding begins in earnest. They require little care and are ready sellers, either as a bulb in your store or as a greenhouse plant.

ISMENE CALATHINA (Pancratium Lily or Peruvian Daffodil)

One of the choicest of our summer flowering bulbs, blooming profusely during the summer, flowers a beautiful waxy white and deliciously fragrant. Bulbs are not hardy and should be removed indoors about October 25th. Doz., \$1.50; \$10.00 per 100.

HENRY F. MICHELL CO., 518 MARKET ST., PHILADELPHIA

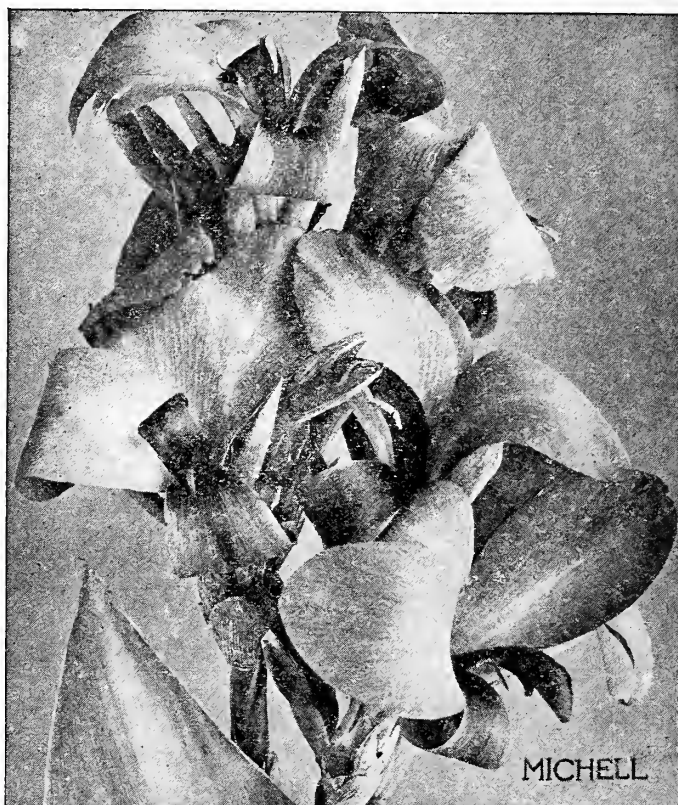

New Canna, "Hungaria"

MICHELL'S CANNA ROOTS

Our roots are extra strong, with plenty of eyes, are clean and absolutely true to name. When ordering please state if immediate shipment is desired; also if we shall send via express or freight. The heights quoted on Cannas are determined from the growth in our own nursery, all being grown in soil of the same degree of fertility. These may vary with soil and climatic changes. The colors are arrived at from the standard color nomenclature book.

MICHELL'S COLD STORAGE LIL. GIGANTEUM

As usual we have provided a fine lot of Lil. Giganteum bulbs, grown and packed especially for cold storage keeping. These are a profitable crop for the florist at most all seasons. The demand for bulbs is usually heavy, so we suggest if you are a regular grower of this stock, that you reserve your requirements now.

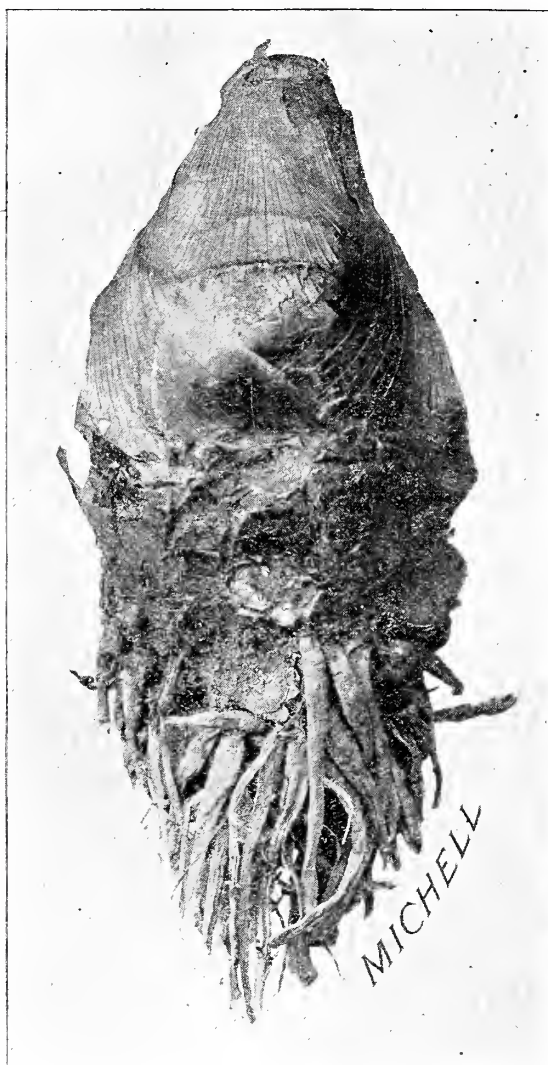

No less than case lots of quantities designated can be supplied.

Double-Pearl Tuberose Bulb

TUBEROSE BULBS (READY IN JANUARY)

We have contracted for a very fine stock of bulbs of full size, the kind that bloom. Planted outdoors in April, they provide an inexpensive crop of profitable flowers for late summer and early autumn trade, requiring practically no attention while growing except an occasional cultivating.

Double Pearl. First Size, 4 to 6 inch circumference bulbs.

Per dozen\$0.50
Per 100 3.50
Per 100030.00

Bulbs and other perishable stock are shipped best by express, but remember they travel at purchaser's risk.

East Greenville, Pa.

For the last five years I have been selling plants and bulbs, but never before did I handle such a fine grade of Tuberose like the 1300 I received from your firm.

MICHELL'S CHOICE HYDRANGEAS

FOR EASTER FORCING

For shipment now or later

The past few seasons we have worked up a large stock of this important florist plant, our list including the standard as well as the more recently introduced varieties. The plants are all pot grown, having been plunged in frames outdoors all summer and autumn; they are now dormant and in splendid shipping condition. As there will be no spireas for Easter, and many other plants heretofore used will be missing, Hydrangeas are the plants to take their place.

Michell's Florists' Specialties

WIZARD BRAND CATTLE OR COW MANURE

This is carefully selected manure taken from brick-paved cattle pens at Western Stock Yards, where the highest quality of Cattle Manure is available in large quantities. It is kept entirely separate from other manures and is reduced by the Wizard Brand process of direct heat drying and screening, and is packed in coarse, shredded form and in finely pulverized form.

Shredded Cattle Manure is slower acting, and is especially suited to every need of the rose grower for soil mixing, mulching and liquid manuring. It is used by many of the largest rose growers in this country.

Pulverized Cattle Manure is more quick in action and especially desirable for potting, etc.

Shredded Cow or Cattle Manure

	100 lbs.	500 lbs.	1000 lbs.	2000 lbs.
F. o. b. Philadelphia	\$2.75	\$13.00	\$23.50	\$45.00

WIZARD BRAND PULVERIZED SHEEP MANURE

This is probably the most extensively used of animal manures by the florist and market gardener. The analysis shows it to be a perfectly balanced plant food.

Pulverized Sheep Manure acts quickly and is invaluable for carnations, mums and other crops that require a quick stimulant at certain stages of development or because of unfavorable weather conditions.

(Prices effective
December 1, 1919.)

Pulverized Sheep Manure

F. o. b. Philadelphia, 100 lbs.,	\$2.75; 500 lbs., \$13.00; 1000 lbs.,
\$23.50; 2000 lbs., \$45.00.

SPECIAL NOTE—The supply of fertilizer in the United States of all kinds is exceedingly short, and we have our doubts about there being enough to supply the demand next spring. Now is the time to lay in your supply.

DELPHINIUM BELLADONNA PLANTS

FOR FORCING

The freest and most continuous blooming of all Hardy Larkspurs. The clear turquoise blue flowers are not surpassed by any.

This plant is developing a new field in the cut flower market, heretofore regarded only as a hardy garden proposition; the fact has been demonstrated that it could be grown under glass, flowering months in advance of its outdoor blooming period. Long spikes of Delphinium Belladonna that in the open border attract attention, are more than acceptable as a greenhouse cut flower.

The field-grown two-year-old plants, when received, should be placed in flats of soil and kept outdoors, and covered with sufficient soil to prevent the roots from drying out. About January 15 to February 1, they should be taken inside and planted, preferably in solid benches, in a temperature that would suit Sweet Peas or Mignonette. The soil should be deep and well-enriched, especially with bone meal (do not use horse manure), and a light sprinkling of wood ashes worked in. Water sparingly at first and increase the temperature gradually, which should at no time run above 55 degrees, when artificial heat is employed. The plants should be staked as they grow, and the flowers cut close to the plant with the whole stem. The flowers should begin to appear about April 1. The two-year-old plants are especially for growing in artificial heat, while the one-year-old stock can be planted later in houses to develop in the early summer without heat.

	Price	Doz.	100
One-year-old Field Grown Plants.....		\$2.50	\$15.00
Two-year-old Field Grown Clumps		3.50	25.00
